[Item: MCU Level 5 Softshell Jacket Universal Camouflage](#)

Description: The MCU softshell jacket and trousers is a new design by ORC Industries. The MCU softshell jacket and trousers is offered by ORC as a cost effective alternative or upgrade to the existing PCU Level 5 softshell.

Details: The Soft Shell Jacket and Trouser is designed to be worn in combination with various base layer garments as well as the Windshirt when additional warmth and water resistance is required. This mid-weight layer is made using a high-tech, stretch nylon soft shell fabric that is water repellent, breathable and also windproof. The fabric - "Agility" by the Brookwood Companies is engineered utilizing spandex for stretch, comfort and flexibility when worn in combination with other system layers. It is lightweight and packable and is designed to perform in a variety of environments and climates. The softshell jacket and trousers is available in universal camouflage and alpha green.
